

EVO 4T ECONO

Four-Stroke Motorcycle Oil

EVO 4T ECONO is a high quality, mono-grade four-stroke motorcycle oil specially developed and formulated from highly refined mineral oils blended with additives to meet the new JASO MA specification requirements for engine and wet clutch lubrication. It protects against wear, piston and cylinder scuffing, bearing corrosion and foaming, and provides smooth gear change operations.

Product Applications:

- Standard air-cooled and water-cooled four-stroke motorcycle engines requiring API SG, JASO MA, and lower classifications

Performance Benefits:

- Enhances engine protection against wear
- Effective protection from rust and corrosion
- Smooth gear shifting due to special lubricant friction characteristics
- Superior resistance to oil thickening and oxidation
- Helps minimize engine sludge and varnish deposits

Performance Level:

- Meets:** API SG; JASO MA
